Crash Synopsis:

In the interest of transparency, it is the policy of PSP to disseminate information regarding incidents which are likely to generate significant interest among the public and media in a timely manner. While we make every effort to ensure the information is accurate to the best of our knowledge and belief, incidents are often fluid and rapidly evolving. Information provided should be considered preliminary and subject to change as additional investigative details emerge.

This crash occurred as Unit #1 struck the rear end of Unit #2 while traveling East on Interstate 76. Both Units pulled to the Southern berm after impact in order to exchange information but Unit #2 then left the scene. Operator #1 and Passenger #1 were wearing their seat belts and reported no injuries. Unit #1 could be driven from the scene under its own power.

The only information for Unit #2 is that it is a white in color mid-size SUV
