Crash Synopsis:

This crash occurred as Unit #1 was traveling south on State Route 948, north of Forest Road 185, Jones Township, Elk County, Pennsylvania. This roadway is a two-lane, paved roadway, divided by two solid yellow lines and has a dirt shoulder on both the east and west side. The location of this crash was on the west side of the southbound lane of travel, at the conclusion of an incline, right hand curve in the roadway. As Unit #1 was traveling south, at a high rate of speed, Operator #1 lost control, left the southbound lane of travel, crossed over shoulder on the west side of the roadway and struck a utility pole, at the three o'clock position, and came to final rest approximately seventy feet north of the point of impact, on the dirt shoulder of the southbound lane. Unit #1 was towed from the scene by Flickerwood Auto, Operator #1 was uninjured and refused medical treatment. This crash remains under investigation.
