Disaster Recovery Assistance Program – DRAP

The Pennsylvania Emergency Management Agency has made the PA Disaster Recovery Assistance Program (DRAP) available for renters and homeowners recovering from damages caused by May 13, 2025, flooding in numerous municipalities in Bedford and Somerset Counties in Pennsylvania.

Those who meet DRAP grant criteria may receive a one-time grant of up to \$20,000 per household to assist with:

Home Repairs – If you own your home. Covers losses caused directly by the disaster.

Temporary Housing – If you own or rent your home. Covers temporary lodging or rental assistance for household members and pets if you are unable to live in your home due to damage.

Essential Personal Property – If you own or rent your home. Money to help replace certain essential personal property damaged by the severe storm and flooding.

Is DRAP for YOU?

If you answer “YES” to all of these questions, you may be able to get DRAP assistance:

- ☐ Did you suffer damages from flooding that occurred on May 13, 2025?
- ☐ Did you live in one of the municipalities listed on the next page?
- ☐ Is your household income (everyone who lives in the home) less than 500% of the Federal Poverty Guidelines? (See chart on the next page)
- ☐ Do you currently receive income-based government assistance? If not, have you applied for an SBA Disaster Loan for this flooding event and been denied (due to an inability to repay or in adequate credit)? The SBA Disaster Loan deadline is: July 21, 2025.
