DAUPHIN COUNTY TECHNICAL SCHOOL

RECEIVED

APR 28 2017

**PA. STATE BOARD
OF EDUCATION**

April 27, 2017

Ms. Karen Molchanow
Executive Director
State Board for Vocational Education
Pennsylvania Department of Education
333 Market Street, 1st Floor
Harrisburg, PA 17126

Dear Ms. Molchanow,

The purpose of this letter is to seek a change to Dauphin County Technical School's current AVTS attendance area, specifically requesting to include the Harrisburg School District, following the recent approval of a resolution by the DCTS Joint Board admitting Harrisburg School District as a member district.

Dauphin County Technical School offers 26 Programs of Study, all approved by the Pennsylvania Department of Education. I have attached the Career and Technical Education Information System (PDE-320) for the 2017-18 school year which identifies our approved programs and the March 2017 DCTS Student Enrollment report.

The administration does not foresee any impact on the current opportunities for students who choose to attend DCTS. Harrisburg School District currently has 240 students attending DCTS. Harrisburg has been sending their students for six years as a tuition district. Prior to Harrisburg sending students on a tuition basis, DCTS's student enrollment was approximately 750, which was well below our capacity of 1100. Our current enrollment is just over 1000.

Our Joint Operating Committee formed a Planning for the Future Committee, which has been meeting for three years, to discuss current and future programming at DCTS. The intention of this committee is to research the needs in our regional workforce, consider new programming, and evaluate current programming, marketing, and facility needs.

Harrisburg moving from a tuition basis to a member district does not have an overall fiscal impact on Dauphin County Technical School. Based on the funding formula, Tuition District Revenue will decrease and Member District Revenue will increase, as illustrated in "Exhibit A" of the enclosed Joint Board resolution. The reclassification changes neither the total budgeted revenues nor the budgeted expenditures for next fiscal year.

"The mission of the Dauphin County Technical School is to prepare students to enter post secondary education and industry with the attitude, skills, and knowledge necessary to be successful in a constantly changing and competitive world"

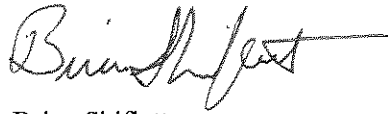

*** A nationally recognized leader in the integration of academics and vocational studies ***

The Harrisburg students continue to thrive at DCTS and are a true part of our school culture. We look forward to the official joinder with the Harrisburg School District and the State Board of Vocational Education's approval of the change in our school's AVTS attendance area.

Sincerely,

Dr. Peggy Grimm
Administrative Director

Brian Shiflett
Joint Board & JOC Chairman

DAUPHIN COUNTY TECHNICAL SCHOOL

A RESOLUTION OF THE JOINT BOARD OF THE DAUPHIN COUNTY TECHNICAL SCHOOL APPROVING THE ADMISSION OF THE SCHOOL DISTRICT OF THE CITY OF HARRISBURG AS AN ADDITIONAL MEMBER SCHOOL DISTRICT.

WHEREAS, the Restated Articles of Agreement for the Establishment and Operation of the Dauphin County Technical School effective as of July 1, 2003 establish that the following are member school districts: Central Dauphin School District, Derry Township School District, Halifax Area School District, Lower Dauphin School District, Middletown Area School District, and Susquehanna Township School District;

WHEREAS, the Article 14 of the Articles of Agreement provides that “Additional school districts may become parties to this agreement and may be admitted as members of the Joint Board, from time to time, under such terms and conditions as shall be determined by the Joint Board.”;

WHEREAS, in a letter to the Chairman of the Joint Board of the Dauphin County Technical School, dated February 5, 2014, the President of the School District of the City of Harrisburg (“HSD”) Board of School Directors requested the Joint Board consider its interest in becoming a member district;

WHEREAS, the Joint Board approved a process to consider the admission of HSD as a member school district in accordance with the Articles of Agreement;

WHEREAS, the Joint Operating Committee of the Dauphin County Technical School engaged Barley Snyder LLP as an independent professional to develop a Plan for the Dauphin County Technical School to consider the admission of HSD as a member school district;

WHEREAS, Barley Snyder LLP developed a Proposed Plan of Action, dated November 30, 2016, for the Admission of HSD as an additional member school district;

WHEREAS, by mail ballot following the December 14, 2016 Joint Board meeting, the Boards of School Directors of all the member districts approved the Proposed Plan of Action dated November 30, 2016; and

WHEREAS, the Negotiating Committee, appointed in accordance with the approval of the Proposed Plan of Action, has reached a tentative agreement with HSD on the terms and conditions under which HSD will be admitted as a member district of the Dauphin County Technical School.

NOW THEREFORE BE IT RESOLVED as follows:

1. All of the foregoing recitals are incorporated herein.
2. HSD shall buy into an 11.83% portion of the net assets of the Dauphin County Technical School (“DCTS”) by payment of \$3,178,263.00 at closing. The net asset value is based upon the DCTS 2015-2016 audited financial statements and

the 11.83% is HSD's proportionate share based upon 2015 STEB certified market values of real estate within the seven (7) school districts.

3. As contribution to future debt service related to the 2015 Guaranteed School Lease Revenue Bonds, HSD shall pay a total of \$2,239,416.00 in six (6) equal installments of \$373,236.00 commencing on July 31, 2017, or on the date of closing, whichever is later, and on the same day of each of the succeeding five (5) years.
4. The sum of all payments in consideration for HSD becoming a member district in DCTS equals \$5,417,679.00. HSD shall have no further obligation to contribute to the future debt service on the 2015 Guaranteed School Lease Revenue Bonds issued by the State Public School Building Authority ("SPSBA") for the DCTS Refunding Project and the corresponding sublease obligations between SPSBA and DCTS and the current member districts (collectively referred to herein as the "current debt"), other than as set forth in Paragraph 3 above.
5. HSD will remit payments in consideration of this agreement directly to the six current member districts set forth above, apportioned in the ratio which the market value of the taxable real estate in each school district (as determined by the latest official report of the State Tax Equalization Board at the time payments become due) bears to the total market valuation of the taxable real estate in all six of the school districts, as so determined. The DCTS business office will provide HSD with payment instructions before the date of closing and on or before July 15 of the five (5) subsequent years for the remaining debt service payments. The instructions will include the payment amount and remittance information for each of the six current member districts. Payments will be made by checks from HSD for consistency and tracking purposes.
6. If DCTS or the member districts re-finance the current debt at some future date, credit will be provided to HSD for the portion of the contribution paid to date as well as any impact the "payment in full" will have compared to that paid by current member districts. Should the Joint Board decide to combine a refinancing of the current debt with borrowing for new project purposes, the aggregate debt service will be apportioned between refunding and new project amounts based upon a schedule of payments required for each purpose. Costs of debt issuance will be reasonably apportioned between each purpose as determined by the financial advisor or bond counsel. HSD will be responsible only for its share of debt service and any related costs associated with new project purposes.
7. HSD requests that the debt service payments to the six member districts set forth above be credited to a Capital Reserve Fund or to advance refund debt, but understands that the member districts will decide how to assign or use such funds in each member district's sole discretion.
8. DCTS annual operating costs shall be shared by the member districts in accordance with Article 9 of the Articles of Agreement, and the basis for HSD's

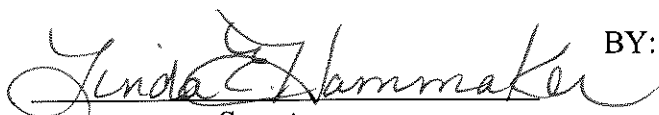

contribution shall be in accordance with the following schedule: HSD's operating budget contribution for Fiscal Year 2017-18 will be based upon a two-year (2014-15 and 2015-16 school years) ADM average; for Fiscal Year 2018-19 will be based upon a three-year (2014-15, 2015-16 and 2016-17 school years) ADM average; for Fiscal Year 2019-20 will be based upon a four-year (2014-15, 2015-16, 2016-17 and 2017-18 school years) ADM average; and for Fiscal Year 2020-21 and thereafter will be based upon a five-year ADM average of the prior five (5) school years.

9. HSD will become a member district in the 2017-18 school year, after approval of this Resolution, approval of a joinder agreement by HSD and the current member districts, and payment of the initial buy-in and debt service amounts, with all benefits, rights and privileges as other member districts under the restated Articles of Agreement. Other than the transitional adjustment to the operating budget apportionment calculation and adding HSD as a member district, all other terms and conditions of the restated Articles of Agreement (effective July 1, 2003) shall remain in effect for all member districts, unless otherwise agreed to by the Joint Board.
10. The current member districts and HSD will work collaboratively and expeditiously to identify any other necessary approvals and notifications, for example, approval by the Pennsylvania State Board for Vocational Technical Education, and to plan and initiate actions to resolve them prior to the closing date.
11. The alternate DCTS 2017/2018 Budget (with Harrisburg as Member District) and the Member District Contribution and Non-Member Calculation a copy of which is attached hereto as Exhibit "A" is approved and shall supersede inconsistent provisions in the DCTS 2017/2018 Budget (with Harrisburg as a Tuition District).
12. To the extent prior inconsistent resolutions by the Joint Board exist, they are hereby rescinded.

It is hereby certified that the foregoing is a true and correct copy of a Resolution adopted by the Board at a meeting thereof and duly and legally held on the 12th day of April, 2017.
